

Launch of 3rd Edition of Newscorner

The Department of Zoology launched the 3rd edition of Newscorner - "বর্তাপ্রবাহ - জ্ঞান অন্বেষণৰ এক যাত্ৰা" on 10.09.2024, marking another milestone in promoting academic discourse and creativity within the department. The event was held at the Premise of Department of Zoology, Mangaldai College with an enthusiastic participation of 35 students, all actively contributing to the success of this initiative. The unveiling of the latest edition of *Newscorner* showcased a diverse range of articles, research awardees, and creative pieces, curated by the students. Their involvement reflects the department's commitment to encouraging extracurricular academic engagement. The program began with a keynote address by Dr. Seema Jyoti, HOD in-charge who emphasized the significance of student-led initiatives in fostering a dynamic learning environment and enhancing communication skills. A discussion featuring faculty members and student representatives also highlighted the role of newsletters like *Newscorner* in bridging the gap between classroom learning and practical knowledge dissemination. Contributions from students ranged from ecological studies to emerging zoological research, along with photographs showcasing their talents and academic curiosity. Overall, the event was a resounding success, providing students with a valuable platform to express their academic and creative abilities, while reinforcing the department's commitment to supporting such initiatives.
