## One Week Summer Classes For Better Learning 2023

**Date: 5-06-2023 to 10-06-2023**

“Summer Classes for Better Learning” is an initiative taken by the IQAC, Mangaldai College, to conduct outreach programmes in schools present in the neighbouring localities. Started in the year 2022, the weeklong “Summer Classes for Better Learning” was conducted from 4/07/2022 to 9/07/2022 in the adopted Tangni Tea Garden Model High School. This year the same programme is scheduled to be continued in the same school as per the schedule given below. In response to the overwhelming positive feedback of the programme, the IQAC has decided to extend the same programme to the Mangaldai Town Girls’ Higher Secondary School from this year and the programme schedule of the same will be communicated later on.
