

Invitation

Respected Sir/ Madam,

Mangaldai College family is pleased to announce that a national seminar on “National Education Policy 2020: Transforming Vision into Action” is jointly organized in our college by Mangaldai College Teachers’ Unit (MCTU) and Assam College Teachers’ Association (ACTA) to mark the platinum jubilee celebration of ACTA in 2023. The seminar will address some basic and core concepts of NEP 2020 as well as its challenges before and after its implementation. The organizing committee cordially invites you to participate and contribute research articles/papers to the seminar which will be peer reviewed and published in an ISBN book form later on. We anticipate your active participation which will make the objectives of the seminar successful.

With regards

ABOUT THE SEMINAR THEME- “National Education Policy 2020: Transforming Vision into Action”

The seminar on "National Education Policy 2020: Transforming Vision into Action" aims to create awareness and understanding of the framework of NEP 2020 and its implementation in higher education, skill development, innovation, and research. The NEP 2020 envisages a holistic education system rooted in Indian ethos, providing high-quality education to all and making India a global knowledge superpower. The seminar is an attempt to explore the challenges and opportunities in facilitating higher education to all sections of the society. The NEP 2020 envisages that the curriculum and pedagogy of educational institutions must develop, among the students, a deep sense of respect

towards the Fundamental Duties and Constitutional values, bonding with one’s country, and a conscious awareness of one’s roles and responsibilities in changing world environment. By bringing together stakeholders, the seminar aims to facilitate constructive discussions and develop strategies for effective policy implementation. The event serves as a platform for dialogue, collaboration, and identifying opportunities and challenges in realizing the NEP 2020 objectives. With collective efforts, the seminar aims to transform the vision into action for the sustainable development of an equitable and vibrant knowledge society in India.
